CHRISTMAS HAMPERS

This year we are offering you Christmas Hampers! Whether you are buying for friends and family or if you're a business wanting to treat your staff or clients, we feel sure our hampers will be a hit!

We are using gorgeous, high quality products all wrapped up in a lovely basket.

Take a look overleaf to see what's on offer. We do require a 50% deposit on order. We have a sample hamper in the shop should you wish to come and look. We are happy to take orders either in store, over the phone, by email or via Facebook.
